THE SUTTON ADVANTAGE

Our Disability insurance products offer clients the flexibility to purchase stand-alone short term or long term coverage. Our long term coverage provides a lump sum benefit if the insured is permanently and totally disabled. With a lump sum payment, the insured no longer needs to provide ongoing proof of disability, and they have the freedom to choose how they use the benefit, for example, invest in a business or pay down debt.

SUTTON SPECIAL RISK DISABILITY COVERAGE IS IDEAL FOR:

- Small, medium, or large employer groups
- The executive whose group disability benefits don't extend to cover their earnings
- Business partners who want to ensure the viability of their company in the event one of them becomes disabled
- An organization that will suffer significant financial losses if one of their key employees is not able to work as a result of a disability
